**United. Joined in harmony. This is Nappanee.**

From buddy benches to the Boys and Girls Club; hometown bakeries to the Barns; cabinet companies to churches; the collective mission is to create space for community.

In Nappanee, when there's a job to do, it gets done. When a person is in need, he is helped. When someone is inspired, they are supported. Small businesses, sweet shops, and Northwood athletics and arts are treasured. Standing united, Nappanee is a safe, welcoming, and historic town.

*Embrace the pace* is the motto. *Embrace people* is the mission. You can walk on the Art Path; visit with neighbors at Main Street; read a book from Nappanee Public Library; or stroll through history at Coppes Commons!

In Hebrew, the name Levi means "united" or "joined". Levi is the name of our second child. Nappanee is our family's second home.
