

WIRELESS PRINTING

Let a staff member know if you need any help!

**Scan the code
with your device
to get started!**

1. Scan the code or go to bit.ly/npl-print on your device
2. Upload your document(s) by hitting *Select Files*
3. Select Greyscale or Color
4. Change properties: # of copies, paper size, double-sided
5. Enter Library Card or Guest Name. This will be used to release the documents at the kiosk.
6. (Optional): Enter email or phone number to get a confirmation receipt
7. Select **Submit**
8. Release documents and pay at the kiosk.

Cost to Print/Copy
